# About Us

## Our Legacy

Smt. S.C. & Sheth D.M. Sarvajanic Hospital, Gozaria was established in 1960 as a Parsee Maternity Hospital, starting with a modest capacity of 32 beds and providing up to 40-day maternal care stays. Over the decades, as the demographics shifted due to migration, the hospital progressively evolved to meet broader community needs.

# Growth & Services

Today, the hospital functions as a multi-specialty public trust registered under number E1084, Mahesana (dated 4 August 1960). It has significantly expanded its medical capabilities to include departments such as:

- Surgical, Gynecology, Medicine, Orthopedics
- Physiotherapy & Microtherapy, Eye, Pediatric, Dental
- ENT, Dermatology (Skin), Mental Health, Sonography
- Radiology, Laboratory, X-ray, and Medical Store
